

How to survive a Birthday Party with reasonable sanity !!

In order to make your child's Birthday Party more enjoyable and special, Iwe'd like to review a few procedures with you. First of all, and most importantly, this is your party ! Willowbrook Lanes will provide your needs, when you need them, but we don't want to take away the pleasure of running your own party - you interacting with the children, you supervising the food and soda, you conducting the "Happy Birthday" chorus and you cutting and serving the Birthday Cake - just as you would at home !!

Each party is planned to last a maximum of 1 3/4 hours, (1 hour bowling, 45 minutes in party area). Since we run many parties following each other and need clean-up / set-up time for the next party, we ask that you gage your time accordingly. Put the start time on your invitations approximately 15 minutes before the scheduled party time so everyone will be here and ready to bowl on time.

We suggest for proper supervision of your party, that you have a minimum of 1 adult per pair of lanes or 1 adult for every 8 children. **PLEASE, for the children's' safety, don't let any child, or adult, cross the foul line into the oiled surface of the lane itself.**

If a ball becomes lodged in the bumpers or stops on the lane, **PLEASE** use the "intercom" button on the back of the bench to notify the counter and an employee will come down to assist you. Sometimes, because younger children roll very lightweight balls with very little force, the pinsetter machine will not pick up and reset the pins automatically. In those instances, the pins must be reset manually by pressing the reset button on the sides of the ball return rack.

Willowbrook Lanes will try to confirm information with you approximately one week before your party, particularly the number of children attending the party. Please notify us with bowlers names and everything will be entered into the computers for you. Your tables will be setup for this number.

Things to remember: Cake knife and candles.

Willowbrook Lanes does accept Visa, Master Card and Discover credit cards but, we also have a Cash Station and accept personal checks with proper I.D..

Have a very happy party !!
